

EDUCATION:

Stanford University School of Medicine, M.D., 1980
Stanford University, Biomedical Engineering, MS, 1978
Rice University, Electrical Engineering, MS, 1966
Massachusetts Institute of Technology, Aeronautics and Astronautics, BS, 1964

MEDICAL TRAINING:

L.A. County Harbor/UCLA Medical Center, Internship, Internal Medicine, 1980-81
Stanford University Medical Center, Residency, Anesthesiology, 1982-84
Pain Consortium of Greater Kansas City, Fellowship, Pain Management, 1990-91

BOARD CERTIFICATIONS/QUALIFICATIONS:

American Board of Pain Medicine
American Board of Anesthesiology, Special Qualification in Pain Management
Fellow, International Spinal Injection Society
Qualified Medical Evaluator, State of California Industrial Medical Council

PROFESSIONAL AFFILIATIONS:

Assistant Clinical Professor, University of California, San Diego, Volunteer Faculty
International Spine Intervention Society
Standards Committee, developed evidence based standards for injection therapies, 1998-2005
Instructor, Spinal Intervention Courses, 1995 to present
Physician Speciality Reviewer (past and present)
Community Care Network
Genex Services Inc.
CompPartners Inc.
Professional Dynamics
Private Practice, limited to Pain Management/Pain Medicine/Spinal Diagnostic Procedures 1990-present
Private Practice, Pain Management/Pain Medicine and Anesthesiology, 1984-1990

TEACHING:

Instructor	ISIS Cervical Bio-Skills Lab, International Spine Intervention Society Medical Education & Research Institute, Memphis, TN, June 10-12, 2011
Instructor	ISIS Lumbar Radiofrequency Bio-Skills Lab, International Spine Intervention Society Oquendo Center, Las Vegas, NV March 19-20, 2011
Instructor	ISIS Phase 2 Cervical Bio-Skills Lab, International Spine Intervention Society LSU HSC, New Orleans LA, May 21-23, 2010
Instructor	ISIS Lumbar Bio-Skills Lab, International Spine Intervention Society Oquendo Center, Las Vegas NV, April 23-25, 2010
Instructor	ISIS Lumbar Bio-Skills Lab, International Spine Intervention Society Science Care, Phoenix AZ, January 29-31, 2010
Instructor	Radiofrequency Procedures Bio-Skills Lab, International Spine Intervention Society Hyatt Regency Hotel, Phoenix AZ, October 2-4, 2009

TEACHING (CONT.)

- Instructor ISIS Phase 2 Cervical Bio-Skills Lab, International Spine Intervention Society
Medical Education & Research Institute, Memphis, TN, September 11-13, 2009
- Instructor Intensive Bio-Skills Lab, International Spine Intervention Society
Medical Education & Research Institute, Memphis, TN, June 20-21, 2009
- Instructor Radiofrequency Procedures Bio-Skills Lab, International Spine Intervention Society
Hyatt Regency Airport Hotel, Orlando, FL March 6-8, 2009
- Instructor ISIS Phase 2 Cervical Bio-Skills Lab International Spine Intervention Society
Phoenix Airport Marriott Hotel, Phoenix, AZ February 6-8, 2008
- Instructor Radiofrequency Procedures Bio-Skills Lab, International Spine Intervention Society
Hyatt Regency, Phoenix, AZ November 1-2, 2008
- Instructor Discography Bio-Skills Lab, International Spine Intervention Society
Medical and Research Institute Las Vegas, NV October 4-5, 2008
- Instructor ISIS Lumbar Bio-Skills Lab, International Spine Intervention Society
Medical and Research Institute, Memphis, TN, September 5-7, 2008
- Instructor Radiofrequency Hands-On Spine Intervention Workshop, Presented by the International Spine
Intervention Society, Marriott Phoenix Airport Hotel, Phoenix, AZ, October 13-14, 2007
- Instructor Phase I Lumbar Workshop Using Cadavers, Presented by the International Spine Intervention
Society, Medical Education and Research Institute, Memphis, TN, September 8-9, 2007
- Instructor Phase Three Cervical Workshop Using Cadavers, Presented by the International Spine
Intervention Society, Phoenix, AZ, February 3-4, 2007
- Instructor Phase Three Cervical Workshop Using Cadavers, Presented by the International Spinal Injection
Society, Barrow's Neurological Institute, Phoenix, AZ, November 9-10, 2002.
- Instructor Advanced Cadaveric Workshop: Lumbar & Cervical Diagnostic Injections with Discography,
Presented by the International Spinal Injection Society, Millennium Hotel/Alaska Spine Center,
Anchorage AK, June 29-30, 2002.
- Instructor Phase 1 Lumbar Workshop Using Cadavers, Presented by the International Spinal Injection
Society, Marriott San Francisco Airport Hotel, Burlingame, CA, January 5-6, 2002.
- Instructor Phase 2 Lumbar & Thoracic Workshop Using Cadavers, Presented by the International Spinal
Injection Society, Hyatt Regency Downtown, Tampa, FL, February 10-11, 2001.
- Instructor Advanced Lumbar & Thoracic Workshop Using Cadavers, Presented by the International Spinal
Injection Society, Medical Education & Research Institute, Memphis TN, August 19-20, 2000.
- Instructor Advanced Cervical Workshop Using Cadavers, Presented by the International Spinal Injection
Society, Medical Education & Research Institute, Memphis TN, May 12-14, 2000.
- Instructor Neurostimulation Workshop presented by Medtronic Neurological, Minneapolis, MN, February
27-28, 1999.
- Instructor Neurostimulation Workshop presented by Medtronic Neurological, Minneapolis, MN, December
14-15, 1998.
- Instructor Advanced Discography Workshop Using Cadavers, Presented by the International Spinal
Injection Society, Seton Medical Center, Daly City, CA, November 21-22, 1998.

TEACHING (CONT.)

Instructor Discography Workshop Using Cadavers, Presented by the International Spinal Injection Society, Seton Medical Center, Daly City, CA, November, 1997.

LECTURES/PRESENTATIONS:

“Dealing with Utilization Review in an Evidence Based Environment” Presentation to Pain Fellows, University of California, San Diego, Pain and Palliative Care Program. December 12, 2007.

“Controversy Around the Cervical Transforaminal Injections” Presentation to Pain Fellows, University of California, San Diego, Pain and Palliative Care Program. November 14, 2007.

“Validation of Diagnostic Procedures” Presentation to Pain Fellows, University of California, San Diego, Pain and Palliative Care Program. October 17, 2007.

“Pain Management in California Workers Compensation”, Presentation to Pain Fellows, University of California, San Diego, Pain and Palliative Care Program. September 13, 2007

“Cost effective Management of Disabling Pain”, 11th Annual National Workers’ Compensation and Occupational Medicine Seminar, co-sponsored by SEAK Inc. and The California Society of Industrial Medicine and Surgery, Wyndham San Diego at Emerald Plaza, San Diego, California, March 21, 2002.

“Pitfalls of Diagnostic and Therapeutic Injections”, University of California, San Diego, Pain Medicine Group, Thornton Hospital, February 27, 2002.

“When Surgery is not an option”, Presented at the Bellagio Symposium of the Spine Network of California, Las Vegas, NV, October 14, 2001.

“When Surgery is not an option”, Presented at the Bellagio Symposium of the Spine Network of California, Las Vegas, NV, February 29, 2000.

“The Role of Pain Medicine in Industrial Medicine”, presented to case managers and claims administrators, Genex Services Inc., June 18, 1999.

“The Role of Pain Medicine in Industrial Medicine”, presented to case managers and claims administrators, Reviewco Corp., February 19, 1999.

“Pain Management Practice Organization”, presented to participants of the Neurostimulation Workshop presented by Medtronic Neurological, Minneapolis, MN, December 14 and 15, 1998.

“Trialing Techniques for Neurostimulation”, presented to participants of the Neurostimulation Workshop presented by Medtronic Neurological, Minneapolis, MN, December 14 and 15, 1998.

“Complications of Discography”, presented to participants in the Advanced Discography Workshop given by the International Spinal Injection Society, Daly City, CA, November 22, 1998.

“The Role of Pain Medicine in Managed Care and Industrial Medicine”, presented to the case management staff of Community Care Network (CCN), San Diego, CA, April 21, 1998.

“Pain Management in the Geriatric Population”, facilitator of group discussion. American Association for Geriatric Psychiatry, San Diego, CA, March 11, 1998.

“The Role of Pain Medicine in a Managed Care Environment”, presented to the utilization review staff of Family Practice Associates (FPA), San Diego, CA, July 30, 1997.

“The Role of Pain Medicine in Industrial Medicine”, presented to case managers and claims administrators, Crawford Insurance Co., April 11, 1997.

“The Role of Pain Medicine in Industrial Medicine”, presented to case managers and claims administrators, Care America Compensation, July 16, 1996.

“Provocative Discography”, University of California, San Diego, Pain Medicine Group, September 28, 1995.

“Controversies on Discography”, University of California, San Diego, Pain Didactic Series, January 6, 1995.

RESEARCH AND PUBLICATIONS:

Recommendations for Epidural Injection, Interlaminar Transligamentum Flavum, Caudal and Selective Transforaminal Techniques", Edited by William L. Wilson, M.D., Scientific Newsletter, International Spinal Injection Society, Volume 2, Number 6, December 1997.

"Review of Medical Literature Pertaining to Spinal Diagnostic and Therapeutic Injections, with Comments on Proposed Guidelines for Low Back Pain.", presented to the Industrial Medical Council of the State of California by William L. Wilson, M.D., on behalf of the International Spinal Injection Society, June 6, 1997.

"Review of Medical Literature Pertaining to Spinal Diagnostic and Therapeutic Injections in the Cervical Spine" presented to the Industrial Medical Council, State of California, by William L. Wilson, M.D., on behalf of the International Spinal Injection Society, July 22, 1997.

"The Role of Epidural Administration of Steroids and Local Anesthetic in the Palliation of Pain Secondary to Vertebral Compression Fracture", Pain Digest, 1992: 1: Wilson, W.L., Waldman, S.D., Cronen, CC, Kreps, R.D. (Note: This paper was also presented at the American Pain Society Annual Meeting, November 1991.)

"Superior Hypogastric Plexus Block Using a single Needle and Computer Tomography Guidance: Description of a Modified Technique", Regional Anesthesia, 1991: 16:286-287. Waldman, S.D., Wilson, W.L., Kreps, R.D. (Note: This paper was also presented at the American Pain society Annual Meeting, November 1991.)

"Cluster Headache", Internal Medicine, Vol. 19, No 2, 1992, Waldman, S.D., Wilson, W.L.

"Model of Drug Using Populations Under the Influence of Methadone Maintenance Programs", A study for the State of California, Assembly Ways and Means Committee, 1970.
